Michael,

I look forward to receiving a redline with proposed edits. I disagree with your commentary below.

Thanks for your email.

In order of priority, first we have a joint report due today on status of contempt negotiations. May I ask where we stand regarding the noncompliance we found on February 26, 2025? Or on our proposal regarding fees?

Your joint agenda was almost a brief for Defendants. I am redlining it but having to make a lot of changes. It is going to take a while. Too much advocacy.

Thanks
